# Alcoa® Dura-Black™ Wheels for Kenworth Trucks

## A Bold New Style.

These new wheels have the same benefits of all lightweight Alcoa® aluminium wheels, now in Menacing Matte Black. They utilise advanced proprietary technology and production processes resulting in an alternative styling option.

## A Personal Statement. Quality in Every Detail.

- Precision laser-etched logo
- Treated on both sides
- Premium two-tone look
- Matching valve stem

## Available Alcoa® One-Piece Hub Cover System to Complete the Appearance

- Colour matching menacing matte black finish
- Updated retention system
- Fits more applications
