Tough Hauls Demand Tough Wheels.

Logging, mining and other severe applications demand extra durability from your trucking equipment, including wheels. Spec the only aluminum wheels built to be as tough as your job – Alcoa® Severe Service® Wheels.

Alcoa® LvL One®
Severe Service® Wheels
88565x, 98565x
Alcoa® LvL One® – Severe Service Wheels
88565x, 98565x

More Strength. Less Weight
Load rated up to 8,300 lbs. and stronger than standard hub piloted wheels. Weighs as little as 50 lbs. – 29 lbs. less than a comparable steel wheel.

More Payload
Delivers durability and additional payload in demanding applications. Add Alcoa Dura-Flange® Wear Protection option to reduce or eliminate rim flange wear.

Advanced finishes for the world's best wheels.

High Polish
The superior polish that redefines standard.

Mirror Polish
The ultimate polish for the ultimate finish.
