

HOWMET WHEEL DISTRIBUTION MEXICO, S. DE R.L. DE C.V. ("SELLER" or "Howmet")
TERMS AND CONDITIONS OF SALE (MEXICO)
(Rev. May 2020)

THE FOLLOWING TERMS AND CONDITIONS APPLY TO THE SALE OF SELLER'S GOODS. SELLER'S ACCEPTANCE OF ANY ORDER IS EXPRESSLY MADE CONDITIONAL UPON BUYER'S ACCEPTANCE OF THE TERMS AND CONDITIONS CONTAINED HEREIN, AND SELLER OBJECTS TO ANY ADDITIONAL OR DIFFERENT TERMS AND CONDITIONS, WHETHER CONTAINED IN BUYER'S FORMS OR OTHERWISE. SELLER WILL NOT BE DEEMED TO HAVE WAIVED THESE TERMS AND CONDITIONS OF SALE IF IT FAILS TO OBJECT TO PROVISIONS CONTAINED IN BUYER'S FORMS OR OTHERWISE. BUYER'S SILENCE OR ITS ACCEPTANCE OF SELLER'S GOODS CONSTITUTES ITS ACCEPTANCE OF THESE TERMS AND CONDITIONS OF SALE.

1. Acceptance. Any order by Buyer is subject to acceptance by Seller. Acceptance is subject to Buyer's agreement to all of the terms and conditions herein. Buyer's agreement will be conclusively established (i) when Buyer has received and retained these Terms and Conditions of Sale for ten days without objection, or (ii) by Buyer's acceptance of all or any part of the goods. Seller objects to any terms or conditions which differ from, or are additional to, those stated herein. After acceptance by Seller, an order may only be modified by a writing signed by Seller.

2. Change of Price. The prices and charges stated herein or in Seller's sales order acknowledgement shall be adjusted to and the goods and other items covered by an order shall be invoiced at the prices and charges fixed by Seller at the time of and for each shipment under the order, provided that such prices and charges shall not exceed the prices and charges appearing in Seller's applicable price schedules, if any, in effect at the time of each such shipment. Any price changes in excess of the prices and charges appearing in Howmet's applicable price schedule, except for changes deriving from Metal Price Adjustments, shall be notified to Buyer in writing. Should Buyer not agree with the price changes, it shall notify Seller in writing within five (5) calendar days of the receipt of such notice. In the event of rejection by Buyer, the parties shall enter into good faith negotiations as to such price changes. Buyer's failure to notify its disagreement with the price changes in the manner stated above shall be deemed an acceptance of such by Buyer. The prices and charges stated herein or in Seller's sales order acknowledgement do not include value added tax, import duties or other tariffs affecting Seller's manufacture or sale of goods. All such taxes, duties, and tariffs in effect or hereafter levied which are applicable to the order or Seller's production of goods for the order are in addition to such prices and will be paid by Buyer.

3. Payment. Unless stated otherwise by Seller, payment terms are net 30 days from the date of Seller's invoice, by electronic funds transfer. In the event that Buyer fails to pay Seller's invoices when due, Buyer will be obligated to pay Seller interest, on all amounts so due and payable, at 1% per month from the date such payment was due until the date paid by Buyer. Such interest will be due and payable without demand or protest by Seller. Whenever reasonable grounds for insecurity arise with respect to due payment by Buyer, Seller may demand different terms of payment and may demand assurance of Buyer's due payment. Any such demand may be oral or written and Seller may, upon the making of such demand, stop production and suspend shipment hereunder, without any liability. If, within the period stated in such demand, Buyer fails or refuses to agree to such different terms of payment or fails or refuses to give adequate assurance of due payment, Seller may, at its opt treat such failure or refusal as a repudiation of the portion of the order which has not been fully performed, or may resume production and may make shipment under reservation of possession or of a security interest and may demand payment against tender of documents of title. In the event any order is issued in United States Dollars, the amounts due shall be payable as per the terms of the corresponding invoice in United States Dollars, or its equivalent in Mexican Pesos at the exchange rate published by Banco de Mexico in the Official Journal of the Federation on the business day immediately preceding the date of payment.

4. Delivery. Unless otherwise specifically agreed in writing by Seller, all domestic sales of goods are transacted under F.O.B. shipping point Seller's plant. Title and risk of loss with respect to goods shall transfer from Seller to Buyer upon delivery at the delivery point. International sales: Unless otherwise specifically agreed in writing by Seller, all international sales will be transacted under FCA Seller's plant (Incoterms 2010). Title and risk of loss with respect to goods shall transfer from Seller to Buyer when the goods are tendered to the carrier at the named place of delivery in the named Incoterm (Incoterms 2010).

5. Delays. All delivery or shipping dates are estimates only. Seller will use reasonable efforts to fill the order in accordance with the estimated delivery or shipping date, but Seller will not be responsible for any delays in filling the order nor liable for any losses or damages resulting from such delays, and the order will not be subject to cancellation for such delays.

6. Force Majeure. Seller will not be liable for delays in filling an order or failure in the performance of any of its obligations hereunder caused by accidents; labor disputes, disruptions, strikes or shortages of labor; pandemics or epidemics; shortages of materials, fuel or power; war, threat of war, terrorism, or terrorist acts; fires, floods or other acts of God; acts or omissions of Buyer, delays in transportation or lack of transportation facilities; priorities required, requested or granted for the benefit of the government; restrictions imposed by law or any rules or regulations thereunder; or any cause, whether similar to or dissimilar from those enumerated, beyond Seller's reasonable control. Regarding COVID-19, Seller's operations and deliveries may be affected by the unforeseeable and rapidly changing effects of the COVID-19 global pandemic. Any such event constitutes a force majeure and Buyer bears the risk associated with and to the extent that Seller's performance is hindered by the pandemic. Seller is not liable for any nonperformance related thereto.

7. Method of Transportation. The agency and method of transportation of the goods and the routing of the goods to the delivery point will be designated by Seller. If Seller complies with Buyer's request with respect to the use of any agency or method of transportation or any routing other than that which would otherwise be designated by Seller, all packing, marking, shipping, transportation and other charges which are in excess of the charges which would otherwise be incurred by Seller will be for Buyer's account.

8. Shipments; Shipping Weights. (a) Seller may make partial shipments hereunder and may invoice for each such partial shipment separately. Each partial shipment will be deemed to be a separate sale; however, delay in delivery of any partial shipment will not relieve Buyer of its obligation to accept delivery of remaining shipments hereunder. (b) Seller's shipping weights will govern for each shipment or partial shipment hereunder. Should Buyer dispute the shipping weight of any shipment or partial shipment hereunder, Buyer will promptly notify Seller in writing of the reasons for such dispute and provide to Seller all necessary documents to substantiate the difference.
