

Alcoa® Dura-Black™ Wheels

BLACK IT OUT.

New Look for your Truck

Same benefits of all lightweight Alcoa® aluminum wheels, in Menacing Matte Black. These wheels utilize advanced proprietary technology and production processes resulting in an alternative styling option.

A Personal Statement. Quality in Every Detail:

Alcoa® Dura-Black™ Wheels look and perform like nothing else on the road. Exhaustive market research and product development results in an innovative, unique look that truly stands apart. Supplied with premium detailing and color-matched components for an aggressive look:

- Industry first: Precision laser-etched logo.
- Treated on both sides for flexibility of mounting in steer or drive position.
- Premium two-tone rim flange and mounting surface for increased protection during mounting and while in use.
- Color-matched high quality valve stem.
- Complete the Appearance with Alcoa® Wheels Aerodynamic Steer Cover.
